

To Whom It May Concern,

The Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone Privacy law. The CBA is attempting to impose the federal "established business relationship" exemption on Indiana consumers.

Because I have a credit card with MICKEY MOUSE and a mortgage through DONALD DUCK does not mean I want Mickey and Donald calling me to offer me a "better deal" on this and that. The only reason Mickey or Donald should call me is if they suspect fraud/identity theft on an existing account of mine, or because I'm late on a payment. If those are the only two reasons, then my phone should stay nice and quiet.

sincerely,
